### Information for Contributors

#### Manuscripts

All material intended for publication should be submitted to the editor at the editorial office of the Journal, P.O. Box 8650, Ottawa, Ont. K1G 0G8, with a covering letter requesting consideration for publication in the Journal. Acceptance is subject to the understanding that such material is submitted solely to the Journal, and will not be reprinted without the consent of both the editor and author. The editor reserves the right to make such editorial changes as are considered necessary to ensure correctness of grammar, clarification of obscurities or conformity to Journal style. Articles should be typed double-spaced on paper 8½" x 11", and the original and one copy should be submitted. A factual English summary (and a French résumé, if possible) of 150 words should also be submitted. Five to eight keywords should be listed on a separate sheet; these are nouns taken from the article, under which the author believes his work should be subject-indexed. Manuscripts may be submitted in English or French.

#### Illustrations and tables

Illustrations should be referred to as "Figures" and numbered in Arabic numerals. Each should be mounted on a separate sheet and identified by number and name of author. (Please note that photographs are damaged by writing on the back.) A list of explanatory legends for all the figures should be typed on another sheet. Photographs should be glossy prints, untrimmed and preferable not larger than 8" wide and 10" deep. Patients must not be recognizable in photographs unless written consent has been obtained and supplied with the manuscript. The top of photographs, radiographs and photo-

micrographs should be indicated. Colour work can be published only at the author's expense, and reprints containing colour are much more expensive than reprints in black and white. Magnification of photomicrographs must be given. Graphs and diagrams should be drawn with India ink. Tables should be numbered in Roman numerals. Each table should be typed on a separate sheet and an explanatory title should be supplied. The author's name should appear at the top of the page.

#### References

References should be limited to the minimum necessary, and authors are responsible for their accuracy. They should be checked with the original sources, designated by Arabic numerals in the text, numbered in sequence and typed double-spaced on a separate sheet in accordance with the style adopted by *The Canadian Medical Association Journal* in July 1971. Each periodical reference should include, in order: the author's name and initials in capital letters, the title of the article, abbreviated journal name, volume number, page number and year. The abbreviations of journal names should be those defined in the *Index Medicus* 1971 (e.g. 2. ROSEN HJ: Lumbar intervertebral disc surgery: review of 300 cases. *Can Med Assoc J* 101: 317, 1969). References to books should include in order: author's name and initials in capital letters; title of book or article in book; number of edition; editor(s), when applicable; city of publication; name of publishing house, year of publication; page number, if a specific reference (e.g. GOODMAN LS, GILMAN A: *Pharmacological Basis of Therapeutics*, third ed. New York, Macmillan, 1965, p 925). A more complete list of requirements may be obtained from the editor.

### Subscription Rates

The Journal is published twice each month. It is supplied to paid-up members of The Canadian Medical Association as a perquisite of membership. Medical libraries, hospitals and individuals in Canada may subscribe to the Journal at \$24.00 per year, payable in advance. The same rate and condition apply to subscribers in the United States. Subscriptions elsewhere are available at \$30.00 per year, payable in advance. There is a special rate for undergraduates in medicine residing in Canada of \$7.00 per year. Single copies (current issue) available at \$1.50 each. All back issues \$2.50 each. Subscriptions and all relative correspondence should be addressed to the Membership department, The Canadian Medical Association, CMA House, Box 8650, Ottawa, Ont. K1G 0G8. Notification of change of address should be forwarded 1 month before the date on which it becomes effective.

**CANADIAN MEDICAL ASSOCIATION**  
**ANNUAL MEETING**  
**CALGARY, JUNE 22 - 27, 1975**  
**TRANSPORTATION REQUEST CARD**

The Canadian Medical Association has made arrangements with P. Lawson Travel Ltd., to assist members in making transportation reservations to the 1975 meeting in Calgary, Alberta.

Through their regional offices Lawson Travel will form group flights. Allotments of seats for our use are being held on prime flights to Calgary on June 22, 23 and 24, and travel on these flights will enable participants to obtain a 10% saving utilizing the group air fares as listed below.

Space for return is being held for June 27 and June 28, but it is permissible to return at a later date and still enjoy the group air fare. A group consists of a minimum of 15 people and the group fare does not apply on Friday or Sunday between the hours of 3 p.m. and 9 p.m.

For reservations please contact your closest P. Lawson Travel office as listed below, or detach and mail the coupon as indicated.

SAMPLE RETURN AIR FARES	CITY	REGULAR FARE	GROUP FARE
	Vancouver	\$ 90.00	\$ 82.00
